

Company presentation

JUNE 2023

ENGLISH

UNIQUE. BY CHOICE.

Mission

We are one of the best expressions of Italian design culture: **elegant and refined**. We modernize environments around the world through our esthetic interpretation and build **relationships that last**. We are welcoming by nature and **strive for excellence in everything we do**: with our customers, with people and with the environment.

Vision

Sustainably enriching spaces around the world with the touch and beauty of Italian design, creating an **atmosphere of emotion** that conveys wellbeing to the individuals who experience it.

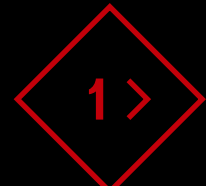

“Atlas Concorde is a unique company because it has chosen to be both high-performing and supportive of individuals.

High-performing because we are able to offer customers and designers around the world a product ecosystem at the highest technical and stylistic levels.

Supportive of individuals because in our work, we value our associates and establish deep, long-lasting relationships with our partners.”

Maurizio Mazzotti

A history of values

- ◆ HISTORY & TRADITION
- ◆ SOLIDNESS & RELIABILITY
- ◆ PASSION
- ◆ PARTNERSHIP
- ◆ RESPONSIBILITY
- ◆ INTERNATIONAL VOCATION

Since 1969 Atlas Concorde has grown based on the solid **values** of its founders: **technological innovation, product research, total reliability, respect for the environment and confidence in the future.**

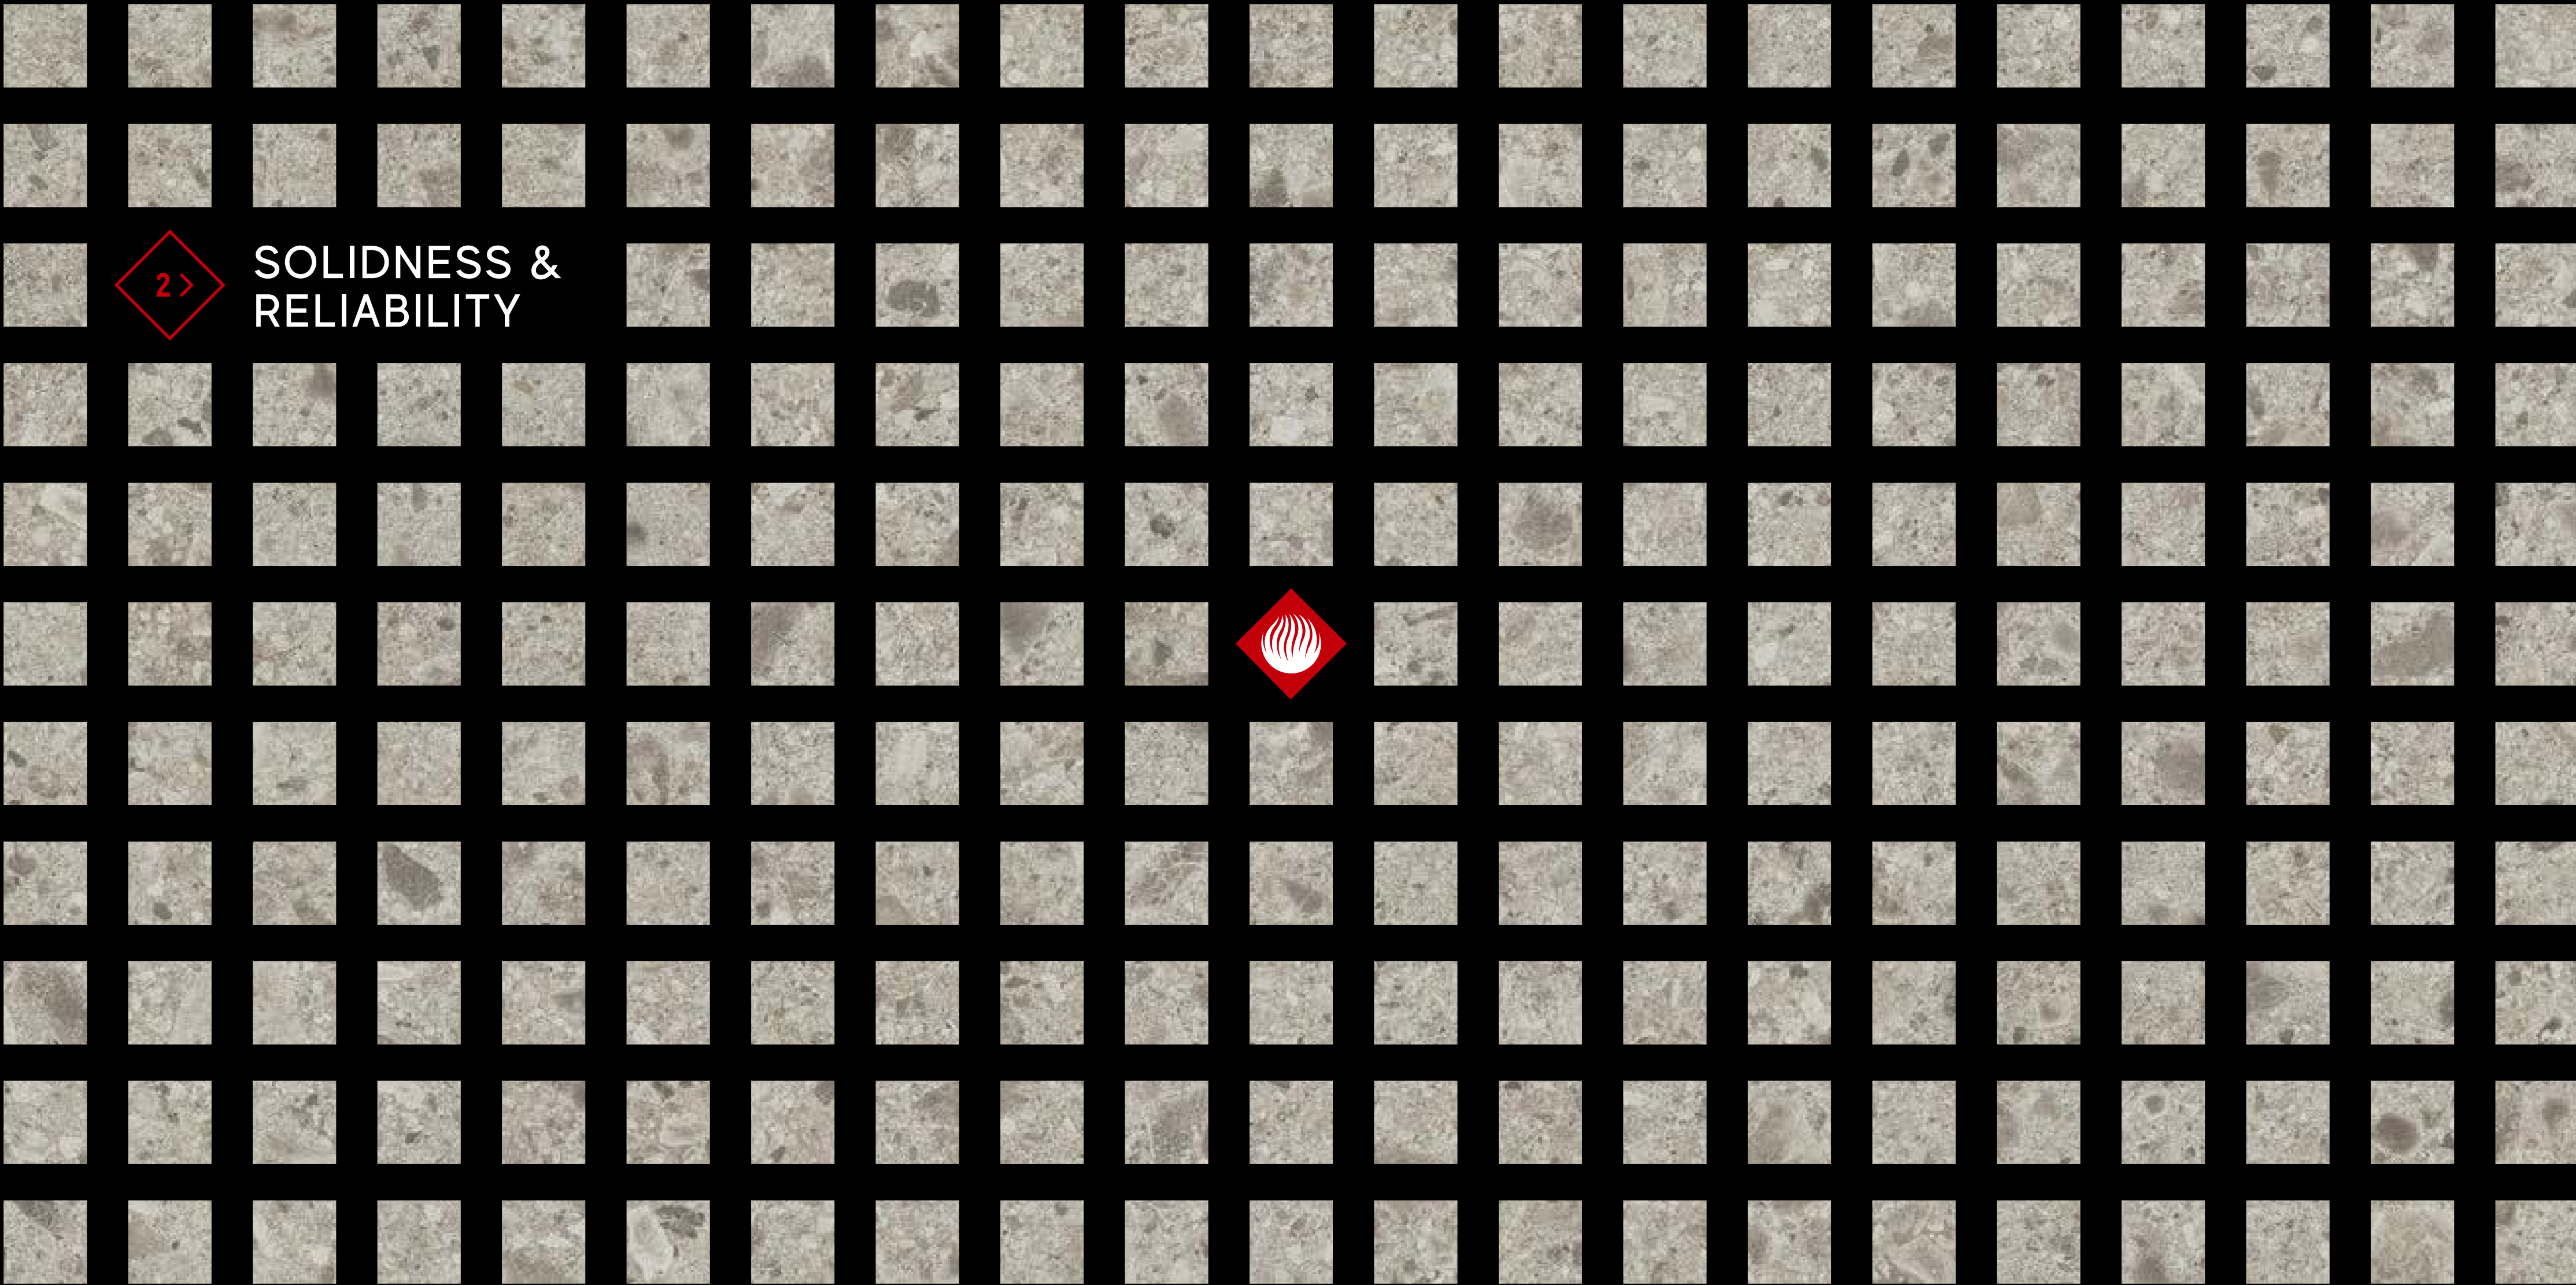

Over time, our company has become an international gold standard while maintaining strong roots in Italy. Atlas Concorde is also the **parent company of the Concorde Group**, one of the world's leading ceramic holding companies.

**SOLIDNESS &
RELIABILITY**

International leadership

Atlas Concorde is an **international brand** with two of its own manufacturing plants and two corporate offices, sales offices on five continents, and showrooms in the world's design capitals. We know how to combine **solid Italian governance** with the ability to **operate anywhere in the world**, close to all our partners, wherever they are.

Strength in numbers

Over the past 15 years, **Atlas Concorde's revenue has risen faster than the industry average**: thanks to the more than 4,000 customers in 130 countries who have grown together with us, as well as the many designers, contractors, investors and end users who have chosen our tiles.

Those who work with us grow with us.

2020 – PRISM
2020 – ATLAS CONCORDE STUDIO MILANO
2021 – 3D WALL CARVE 🏆 🏆
2022 – MONOLITI INSTALLATION

The collaboration between Atlas Concorde and Piero Lissoni has resulted in some highly prestigious collections and products, such as **Prism, Sign, and Square**. We also designed the **Atlas Concorde Studio Milano flagship store** working with his "Lissoni&Partners" studio.

red dot winner 2022

ADI Design Index 2022

Matteo Brioni

Matteo Brioni is the **Italian architect who reinvented raw earth**, making it a protagonist of the world of contemporary design.

2021 – BOOST NATURAL 🏆

Working with Matteo Brioni, Atlas Concorde created **Boost Natural**, a collection that transports the visual and tactile suggestions of raw earth surfaces to the world of ceramic tiles.

Mario Ferrarini

Mario Ferrarini is a designer who collaborates with numerous international companies on **projects ranging from furniture to industrial and interior design**.

2021 – DIALOGO 🏆

The collaboration with Ferrarini resulted in **Dialogo**, an exclusive collection that offers novel combinations of Atlas Concorde **washbasins, coordinated furnishings, and surfaces**.

Hirsch Bedner Associates

An **international leader in hotel and resort design**, HBA has 24 locations around the world, more than 1,500 projects in more than 80 countries and 200 awards earned over the past 10 years.

2022 – MARVEL TRAVERTINE DECOR RANGE

Marvel Travertine's surfaces find a perfect fit in the sophisticated hospitality settings designed by HBA, which also designed the collection's **exclusive range of decors**.

- ◇ INTERNATIONAL VOCATION

Establishes a single international standard for assessing the environmental, social and economic impact of ceramic tiles throughout their life cycle, based on 15 mandatory and 23 voluntary requirements.

The environmental declaration demonstrates Atlas Concorde's focus on environmental issues in order to include its products in Green Public Procurement.

All Atlas Concorde porcelain tile and white body single-fired products can be used for construction projects that follow GREEN BUILDING COUNCIL guidelines.

Building Standard. Regulations defining the contribution of products to improving the healthiness of living spaces and the well-being of those who use them

(Environmental Product Declaration) attests to the environmental sustainability of products in relation to their entire life cycle.

Is a parameter that indicates the environmental performance of a product or service over its life cycle.

(Fiche de déclaration environnementale et sanitaire), communicates the product's impact in relation to the entire industrial process.

Transparency label for construction materials. It is a self-declaration attesting to the transparency of the product's origin, composition, and processing and recycling methods.

People are our strength

For Atlas Concorde, social responsibility means **supporting its employees** on a personal and professional level with **training** programs and substantial **investments in safety and wellbeing at work**. This is demonstrated by projects such as the **Concorde Nursery** – a facility known for its excellence and open to the local population – and many other initiatives in **support of the local community** in the form of sponsorships, donations, training, awards and exceptional contributions to special events.
